A California Original

With offices in five major commercial centers across the state, Musick Peeler attorneys know California. Founded in 1954, Musick Peeler has kept pace with California's growth and with more than 80 attorneys, we have the resources and experience to offer the highest quality representation in a wide variety of legal matters.

While Musick Peeler clients enjoy the advantages of working with an independent law firm, we recognize that California businesses often require representation and advice in national and international matters. Our attorneys speak a multitude of languages and several of our practice groups focus on international clients doing business in California and overseas. Together with our membership in Ally Law, an exclusive alliance of international law firms, Musick Peeler is well-equipped to ensure the seamless delivery of legal services across the globe. We are proud to offer our clients the geographic reach of a global firm while maintaining the unique culture and advantages of a regional firm focused on providing each client with individualized attention.

Of course, our client service has not gone unnoticed. Many of our attorneys are recognized as leaders in their field earning selections as *Super Lawyers®*, rankings in *Chambers USA*, *Best Lawyers in America*, *Benchmark Litigation* and *Martindale-Hubbell's®* highest AV® rating for technical skill and ethics. Outside of the firm, many of our lawyers are noted community leaders, hold political office and teach at various universities.
