Cheryl Orr and David Tartaglio to speak at AGC's 2019 Legal Advisory Committee Retreat

Cheryl Orr and David Tartaglio are presenters at this year's *Legal Advisory Committee Retreat* on September 8, 2019.

The topic will be **Making Risk Transfer Work After Centex:** A discussion of the development of the law on the duty to defend in the context of indemnity agreements, the recent Centex Homes v. R-Help Construction Co., Inc. case, and how the potential for indemnity rule retransfers risk between general contractors and subcontractors and their respective insurers.

AGC's Legal Advisory Committee (LAC) http://bit.ly/2LACevent is made up of an exceptional mix of both legal firms, in-house counsel, and forensic accountants. The LAC plays a critical role in understanding the impact that new laws, regulations, and judicial decisions.
