Transportation

Musick, Peeler & Garett LLP announced today that Lisa Hsiao, Giorgio Sassine and Ron Torres have been named to Super Lawyers' list of 2024 Southern California "Rising Stars." The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. Only 2.5% of lawyers in Southern California are selected for this distinction.

"We recognize Lisa, Giorgio and Ron's passion, dedication and unwavering commitment to excellence has set a standard of excellence within our firm and beyond," says Managing Partner R. Joseph De Briyn. "This recognition not only celebrates their individual achievements, but also reflects the exceptional caliber of talent that defines our team."

Lisa Hsiao is an experienced trial attorney, focusing her practice on transportation, product liability, premises liability, real estate and employment. Giorgio Sassine has experience in domestic and international complex disputes. Ron Torres' practice focuses on tort-based general liability and business litigation.
